Paul Wrote About Families

EPHESIANS 5:22-33; 6:1-4

While Paul was in prison in Rome, he wrote a letter to the Christians who lived in the city of Ephesus. Paul wanted to encourage them to love others like Jesus did.

In Paul's letter he wrote specific instructions about God's plan for families. He challenged families to honor Jesus by treating each other respectfully.

Paul explained that marriage is a picture of Jesus and the church. Paul reminded the people that Jesus loved the church and gave His life for the church. Paul challenged the husbands to follow Jesus' example and love their wives as much as they love themselves. He told the wives to respect their husbands as the head of the home, like Jesus is the head of the church.

Paul instructed children to obey their parents in the Lord because it is one of God's commands and the right thing to do. Paul told parents not to frustrate their children or make them angry or resentful. Instead, parents should provide loving discipline and training in the ways of the Lord.
