

MARCH MADNESS SHOOT-A-THON!

MAKING BASKETS TO MAKE A DIFFERENCE!

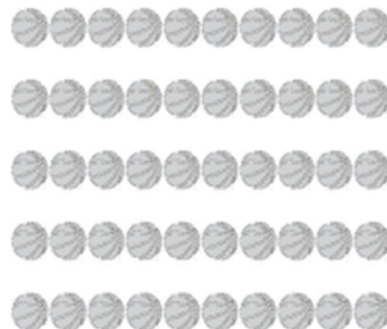

In Route 65 Kids we are doing a SHOOT-A-THON! This is to raise funds for BGMC, which stands for "Boys and Girls Missionary Challenge." ALL of the funds raised through this SHOOT-A-THON will go toward a project in Bangladesh, called Uttam's Place. They help give girls a safe place to live and learn. You can learn more at southernasiachildren.org. Our goal is to raise \$1000 in March!

Each student will shoot 50, 3' - 7' free throws (K-2nd = 3'; 3rd-4th = 5'; 5th & up = 7'). They will shoot them at the church by the end of March. The goal is to gain sponsors for shots made. This means, if you sponsor \$1 per shot made, and they make 25 of the 50 shots, you would donate \$25. If 25 students can raise \$40/each, we will reach out \$1000 goal! Would you consider being a part of this and sponsoring some shots? 100% of the funds received will go directly towards Uttam's Place in Bangladesh and will make a difference in the lives of their girls!
